DEPARTMENTAL CIRCULAR NO. 929

TO HEADS OF DEPARTMENTS AND INDEPENDENT ESTABLISHMENTS

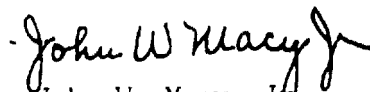

SUBJECT: FOURTH ANNUAL CIVIL SERVICE LEAGUE AWARDS ANNOUNCED

The National Civil Service League has just issued the announcement of nominations for the 1958 Career Service Awards. The closing date for nominations is February 21, 1958. Recipients will receive the awards at a dinner meeting to be held in the first part of May.

There is one change in this year's announcement. It broadens the definition of career status, which is one of the requirements for nomination. The new definition provides that the record of service must be clearly identified as that of a career employee who is making government service his life work. Under this definition some persons previously excluded can now be considered for the awards. Many lawyers, for example, would fall in this category. An individual's career status must be established by his agency and recognized by the League's Committee of Judges.

The whole public service has benefited greatly through the favorable recognition accorded recipients of these awards. Departments and agencies are urged to again submit their nominations to the National Civil Service League in accordance with the instructions in the announcement.

Inquiries concerning this circular should be directed to the Director, Incentive Awards, United States Civil Service Commission, Washington 25, D. C. (telephone: Code 129, Extension 3522) or to the Executive Director of the National Civil Service League, 315 Fifth Avenue, New York 10, N. Y.
